SHOW SEAHAWKS PRIDE AND SAVE ON ADMISSION AT NORTHWEST TREK WILDLIFE PARK
Wearing Seahawks' team spirit gear on Blue Fridays will get visitors \$3 off general admission

EATONVILLE, Wash. – It's a "touchdown" of another type for Seahawks fans.

Arriving at the Northwest Trek Wildlife Park ticket windows in any type of Seahawks gear - be it a shirt, hat, jacket, cap, scarf, beanie, shoes, socks, or a combination thereof - will score a discount of \$3 off general admission on Blue Fridays before Hawks' games this season.

Seahawks fans traditionally show their team spirit at work, school and in the community every Friday before a game.

That means this sweet Seahawks' spirit deal is available every Friday from now through Jan. 1 (except for Dec. 25 when the wildlife park will be closed.)

A mother and daughter in Seahawks shirts and other regalia view bighorn sheep as they tour the wildlife park's 435-acre Free-Roaming Area aboard a tram. A naturalist narrates the 50-minute tour, which is one of the highlights of every visit to Northwest Trek.

That's 15 chances to save.

Here are the dates:

- Sept. 18
- Sept. 25

- Oct. 2
- Oct. 9

- Oct. 16
- Oct. 23 (Note: The game this week is on Thursday, Oct. 22, but we will still observe Blue Friday the next day.)
- Oct. 30
- Nov. 6 (Note: This is the Seahawks “bye week” and they don’t play on Nov. 8, but, heck, every Friday during Seahawks season is a reason to celebrate team spirit. So the Blue Friday discount applies.)
- Nov. 13
- Nov. 20
- Nov. 27
- Dec. 4
- Dec. 11
- Dec. 18
- Jan. 1

When the Seahawks get to post-season play (notice we said *when*, not *if*), Blue Friday discounts also will be in play on the Fridays before games. Those dates won’t be available until the end of the year.

For more information, go to www.nwtrek.org.

###

Northwest Trek, accredited by the Association of Zoos & Aquariums, is a 725-acre zoological park dedicated to conservation, education and recreation by displaying, interpreting and researching native Northwest wildlife and their natural habitats. The wildlife park is a facility of Metro Parks Tacoma and is located 35 miles southeast of Tacoma off State Highway 161.
